STAKEHOLDERS FEEDBACK FORM – ALUMNI

ACADEMIC YEAR (2019-2020)

Date: 05.04.19

Name of the Alumni : M. Manishankar
Work Details : Working consultant
Degree/Branch : BE, civil engineering
Batch : 2016 - 2020
Mobile Number : 9442907784
Mail ID : msshankar545@gmail.com

- Please rate your satisfaction level to the extent you feel that the courses has helped to achieve during this study.
- For each question, tick any one of the appropriate response. Your opinions and feedback are important to enhance the quality of course contents and forming of syllabus.

1. Courses are relevant for the programme:

Strongly Agree Agree Moderate Disagree Strongly Disagree

2. Allocation of the credits to the course is appropriate

Strongly Agree Agree Moderate Disagree Strongly Disagree

3. Course content is adequate in relation to the Course Outcomes(COs):

Strongly Agree Agree Moderate Disagree Strongly Disagree

4. Knowledge provided by the course/programme was useful to the professional practice:

Strongly Agree Agree Moderate Disagree Strongly Disagree

5. The course/programme enabled critical thinking skills:

Strongly Agree Agree Moderate Disagree Strongly Disagree

6. Course equipped me with technical skills:

Strongly Agree Agree Moderate Disagree Strongly Disagree

7. The course/programme enhanced my employability potential :

Strongly Agree Agree Moderate Disagree Strongly Disagree

8. The course/programme provided the opportunity to enhance communication and interpersonal skills :

Strongly Agree Agree Moderate Disagree Strongly Disagree

9. I continue to learn more on themes related to the course/programme:

Strongly Agree Agree Moderate Disagree Strongly Disagree

10. The evaluation scheme designed for the course/programme was very good:

Strongly Agree Agree Moderate Disagree Strongly Disagree

11. Please give your suggestions to improve the course contents and the course syllabus.

Advanced course in field of survey may added .

- Yes
- No
- Maybe

Contribution of Final semester project to employability *

1 2 3 4 5

Low High

List the courses from the curriculum that are helpful for your career development (including laboratory courses) *

All programming theory and practical papers.

List of few courses that can be removed from the curriculum (With Reasons)

Full stack lab is so important but, it was in 7th semester. During 7th semester mostly everyone are busy with their placements. So if possible, can move full stack lab for previous semester so that students can learn it and will be helpful for placement.

If possible combine the theory and practical papers together and make mostly all the classes be practical classes. While implementing some concepts, students can learn it's theory part along with implementing it.

List few course names that can be added specifically to match the latest industry trends

Courses related to data engineering, data analyst, virtual reality and augmented reality.

Strengths of BE CSE curriculum *

Lab practical courses. But on the other side, students not utilities that properly.

Weakness of BE CSE curriculum *

Need to reframe the syllabus for theory papers.

ALUMNI SURVEY FORM

Dear Alumni,

We are encouraged by the success of our alumni shown in the workplace and in the enrollment and performance in the higher studies. This survey is done for the purpose of evaluating the achievement of the faculty of electronics and communication engineering program educational objectives (PEOs), which is one of the major components in adopting and implementing outcome based education (OBE) concept. We collect survey from our alumni in order to obtain information which will be helpful in department planning and guiding the current students. The questionnaire shall take approximately 15 mins to complete and we value your honest and detailed responses.

Our sincere thanks for your cooperation.

Name	A. Vignesh
