

# ICON 2015 COPYRIGHT FORM

To ensure uniformity of treatment among all contributors, other forms may not be substituted for this form, nor may any wording of the form be changed. This form is intended for original material submitted to the National Conference on Innovations in Concrete and Construction (ICON) 2015 and must accompany any such material in order to be published by the Conference. Please read the form carefully and keep a copy for your files.

## NATIONAL CONFERENCE ON INNOVATIONS IN CONCRETE AND CONSTRUCTION (ICON) 2015

### COPYRIGHT TRANSFER

1. The undersigned hereby assigns to the National Conference on Innovations in Concrete and Construction (ICON) 2015 all rights under copyright that may exist in and to: (a) the above Work, including any revised or expanded derivative works submitted to the Conference by the undersigned based on the Work; and (b) any associated written or multimedia components or other enhancements accompanying the Work.

### CONSENT AND RELEASE

2. In the event the undersigned makes a presentation based upon the Work at a Conference hosted or sponsored in whole or in part by Sona College of Technology, Salem, the undersigned, in consideration for his/her participation in the National Conference on Innovations in Concrete and Construction (ICON) 2015 (the Conference), hereby grants SCT the unlimited, worldwide, irrevocable permission to use, distribute, publish, license, exhibit, record, digitize, broadcast, reproduce and archive, in any format or medium, whether now known or hereafter developed: (a) his/her presentation and comments at the Conference; (b) any written materials or multimedia files used in connection with his/her presentation; and (c) any recorded interviews of him/her (collectively, the "Presentation"). The permission granted includes the transcription and reproduction of the Presentation for inclusion in products sold or distributed by the Conference/SCT and live or recorded broadcast of the Presentation during or after the Conference.
3. In connection with the permission granted in Section 2, the undersigned hereby grants the Conference/SCT unlimited, worldwide, irrevocable right to use his/her name, picture, likeness, voice and biographical information as part of the advertisement, distribution and sale of products incorporating the Work or Presentation, and releases the Conference/SCT from any claim based on right of privacy or publicity.
4. The undersigned hereby warrants that the Work and Presentation (collectively, the "Materials") are original and that he/she is the author of the Materials. To the extent the Materials incorporate text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permissions. Where necessary, the undersigned has obtained all third party permissions and consents to grant the license above and has provided copies of such permissions and consents to the Conference/SCT.

Please check this box if you do not wish to have video/audio recordings made of your Conference presentation.

- See reverse side for Retained Rights/Terms and Conditions, and Author Responsibilities.

### GENERAL TERMS

The undersigned represents that he/she has the power and authority to make and execute this assignment.

- The undersigned agrees to indemnify and hold harmless the Conference/SCT from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.

- In the event the above work is not accepted and published by the Conference/SCT or is withdrawn by the author(s) before acceptance by the Conference, the foregoing copyright transfer shall become null and void and all materials embodying the Work submitted to the Conference will be destroyed.

For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.

## **COPYRIGHT FORM (continued)**

### **RETAINED RIGHTS/TERMS AND CONDITIONS**

#### **General**

1. Authors/employers retain all proprietary rights in any process, procedure, or article of manufacture described in the Work.
2. Authors/employers may reproduce or authorize others to reproduce the Work, material extracted verbatim from the Work, or derivative works for the author's personal use or for company use, provided that the source and the Conference copyright notice are indicated, the copies are not used in any way that implies the Conference endorsement of a product or service of any employer, and the copies themselves are not offered for sale.
3. Although authors are permitted to re-use all or portions of the Work in other works, this does not include granting third-party requests for reprinting, republishing, or other types of re-use. The Chair of the Conference must handle all such third-party requests.
4. Authors whose work was performed under a grant from a government funding agency are free to fulfill any deposit mandates from that funding agency.

#### **Author Online Use**

5. **Personal Servers.** Authors and/or their employers shall have the right to post the accepted version of the Conference-copyrighted articles on their own personal servers or the servers of their institutions or employers without permission from IEEE, provided that the posted version includes a prominently displayed Conference copyright notice and, when published, a full citation to the original Conference publication. Authors shall not post the final, published versions of their papers.
6. **Classroom or Internal Training Use.** An author is expressly permitted to post any portion of the accepted version of his/her own Conference-copyrighted articles on the author's personal web site or the servers of the author's institution or company in connection with the author's teaching, training, or work responsibilities, provided that the appropriate copyright, credit, and reuse notices appear prominently with the posted material. Examples of permitted uses are lecture materials, course packs, e-reserves, Conference presentations, or in-house training courses.
7. **Electronic Preprints.** Before submitting an article to a SCT publication, authors frequently post their manuscripts to their own web site, their employer's site, or to another server that invites constructive comment from colleagues. Upon submission of an article to the Conference, an author is required to transfer copyright in the article to the Conference, and the author must update any previously posted version of the article with a prominently displayed Conference-copyright notice. Upon publication of an article by the Conference/SCT, the author must replace any previously posted electronic versions of the article with either (1) the full citation to the Conference work with a Digital Object Identifier (DOI), or (2) the accepted version only (not the Conference-published version), including the Conference copyright notice and full citation.

### **INFORMATION FOR AUTHORS**

#### **Author Responsibilities**

The Conference distributes its technical publications throughout the world and wants to ensure that the material submitted to its publications is properly available to the readership of those publications. Authors must ensure that their Work meets the requirements and provisions covering originality, authorship, author responsibilities and author misconduct.

#### **Author/Employer Rights**

If you are employed and prepared the Work on a subject within the scope of your employment, the copyright in the Work belongs to your employer as a work-for-hire. In that case, the Conference assumes that when you sign this Form, you are authorized to do so by your employer and that your employer has consented to the transfer of copyright, to the representation and warranty of publication rights, and to all other terms and conditions of this Form. If such authorization and consent has not been given to you, an authorized representative of your employer should sign this Form as the Author.

#### **ICON 2015 Copyright Ownership**

It is the formal policy of the Conference to own the copyrights to all copyrightable material in its technical publications and to the individual contributions contained therein, in order to protect the interests of the Conference, its authors and their employers, and, at the same time, to facilitate the appropriate re-use of this material by others. The Conference distributes its technical publications throughout the world and does so by various means such as hard copy, microfiche, microfilm, and electronic media. It also abstracts and may translate its publications, and articles contained therein, for inclusion in various compendiums, collective works, databases and similar publications.

**THIS FORM MUST ACCOMPANY THE SUBMISSION OF THE AUTHOR'S MANUSCRIPT.**
