

A NASSCOM-Timesjobs.Com Initiative

An opportunity for all the NAC & NAC-Tech test takers to improve their chances of employment . A platform that enables all test takers to create a bio-data/CV on Timesjobs.Com (India's leading employment portal) and also embed /attach their NAC or NAC-Tech scores (whatever the case may be) in it.

From recruitment perspective, information about scores instantly helps an employer understand the potential of the candidates w.r.t. to various skills that they have been tested on through NAC /NAC-Tech test.

Note: *This service is not available for those taking 'NAC-Tech Diagnostic' as Diagnostic Test is not conceptualized to be used for 'employment' purposes.*

Important points

- ✓ Only after the scores being published on NAC/NAC-Tech website, a test taker would be allowed to use this facility.
- ✓ Following four fields in the resume form are used for 'candidate verification'. If information in any of these four fields is different from what candidate has provided during online registration for NAC/NAC-Tech test, system will **not** allow him/her to attach the scores to the CV.
 1. NAC/NAC-Tech Registration ID
 2. First Name
 3. Last Name
 4. Date of Birth
- ✓ To maintain the authenticity/genuineness of the scores, candidates will not be allowed to write in their scores in the CV manually; rather the scores will automatically get attached to the CV during the process.
- ✓ If one does not remember the Registration ID, he/she should visit NAC/NAC-Tech website and use 'forgot password' to retrieve the same.
- ✓ Once the scores are successfully attached , candidate will not be able to see the same in his/her CV; however, the scores will be viewable by respective employers who look at the CV. The scores are shown to employers on each skill, exactly how it is shown in NAC/NAC-Tech score card.

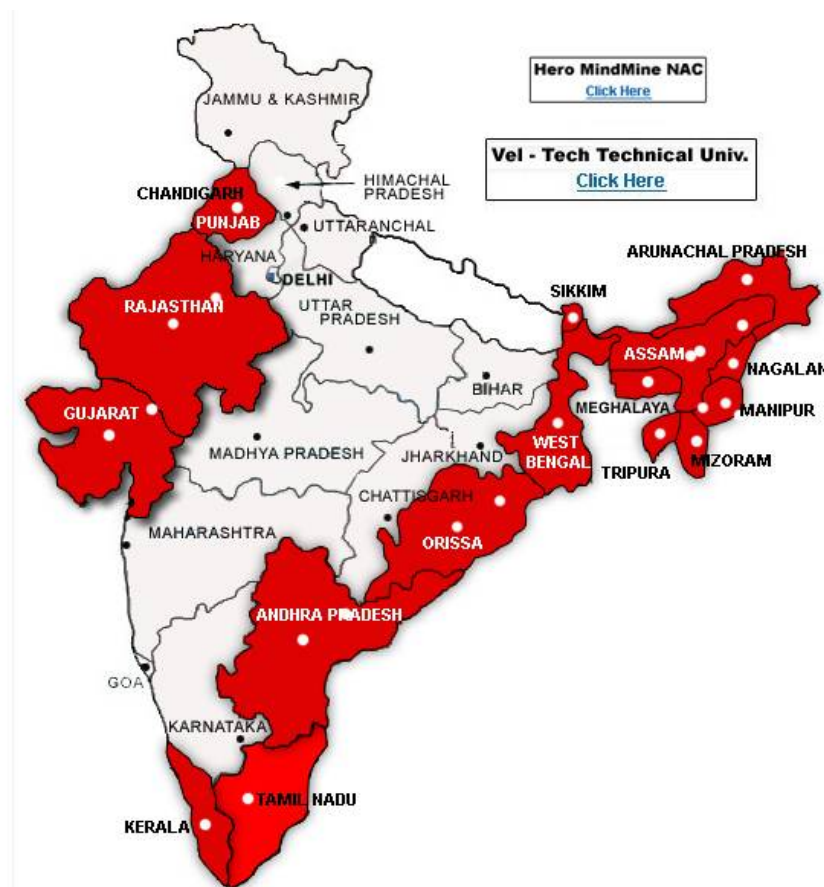

Disclaimer: Decision to interview/shortlist any candidate through Timesjobs.Com is solely at the discretion of the employers and NASSCOM does not have any intervention in that.

We are glad to extend you an opportunity, by which you can showcase your talent to thousands of employers who are in search of bright candidates. Using this feature, you will be able to create your bio-data/CV on **Timesjobs.Com** (India's leading employment portal) and can also add your NAC/NAC-Tech scores to it.

By looking at your NAC/NAC-Tech scores in different skills, the employers get a detailed understanding about your potential in specific areas/skills, which gives them an appropriate understanding about your strengths/abilities and eventually facilitates their decision to shortlist/interview you.

Process to add your scores to your bio-data

1. Click the link below to reach the Timesjobs.Com employment portal (only if your NAC/NAC-Tech scores have been published on this website)
2. While you are filling the 'resume form' on Times website, you will be required to fill four fields (First Name / Last Name / Date of Birth / NAC or NAC-Tech Registration ID). These are the fields used for candidate verification.
3. After filling these four fields, along with other fields shown in the resume form, please click the button for 'Get Score'
4. On clicking the button, your scores will automatically get added to your bio-data and will be viewable by any employer/company who looks at your bio-data

Important

- If the information provided by you in the four verification fields (i.e. First Name / Last Name / Date of Birth / NAC or NAC-Tech Registration ID) are not the same as what you provided during 'online registration' for NAC/NAC-Tech, the system will not allow you to create the bio-data
- If you have forgotten your NAC/NAC-Tech Registration ID, please visit www.nac.nasscom.in or www.nac.nasscom.in/nactech, whatever the case may be, and use the 'forgot password' functionality to retrieve your Registration ID

Do utilize this opportunity and we hope that you will benefit from this initiative.
