How do I get MATLAB?

Download MATLAB through your Campus-Wide License. Follow the MATLAB Portal link, then click 'Sign in to get started'.

I'm new to MATLAB. Where should I start?

Learn the basics or get a refresher even before classes start. Check out MATLAB Onramp for an online, interactive, self-paced course (2 hours). Select 'Start learning now' on Portal.

What can I do with MATLAB and Simulink?

mathworks.com/academia/students

Create cool projects, join student competitions, do innovative research, and more.

Can I use MATLAB on my Phone or Web Browser?

mathworks.com/products/matlab-online

mathworks.com/products/matlab-mobile

Use MATLAB Online and the MATLAB Mobile app to run MATLAB from a browser or connect to a MATLAB session on the cloud.
