Report on Project Expo 2022 under ICI Student Chapter (SPICES Scheme)

Sona College of Technology, one of the top ranking Engineering colleges in India, has achieved global identity through its involvement in research in recent technology and successful completion of projects and products, have organized an exhibition “Project Expo 2022” on 29th September 2022. The Exhibition was organized by the Department of Civil Engineering, Sona College of Technology on 29th September, 2022 in MBA conference Hall located at Sona College of Technology, Salem. It was coordinated by Asst. Prof. Dr.M.N.A Gulshan Taj, Dr.B.Prabu, and Prof.A.Meenachi, Civil Department, SCT along with the other faculties and students. The Programme was inaugurated by Mr. T. Kulothungan, Deputy General Manager, National Highways Authority of India (NHAI), and Mr. S.Jagadeshan, Manager- Technical Services, The Ramco cements Limited along with Dr.R.Malathy, HoD & Dean (R&D)/Civil, SCT.

The Project Expo was circulated and invited all the schools in and around Salem to participate in the event. Around 105 school students studying from 6th to 12th standard from 4schools. The students of civil engineering department from second to final year also participated in the Expo. We got around 53projects form engineering students and projects from school students.

The projects received were categorized to Demo, working models, posters and digital models category and displayed. The school students displayed the projects in various places allocated to them show casing their talents and ideas. The students were very enthusiastic in explaining their projects to the audience.

The function generated a high degree of excitement in the faculty and students of the college, faculty and was a great success. The students were given prizes as per the approval.

The Programme was inaugurated by Mr.T. Kulothungan, Deputy General Manager,National Highway Authority of India and HoD Civil Dr. R. Malathy, SCT.

Prize Distribution to the school students
