- For Practical: 60 marks for CIE and 40 marks for the SEE.
- For Project work: 60 marks for CIE and 40 marks for the SEE.

13. PASSING REQUIREMENTS

13.1 A student who secures not less than 50% of total marks prescribed for the course (both in CIE and SEE) with a minimum of 50% of the marks prescribed for the SEE in both theory and practical courses including Project work), shall be declared as PASS in the Examination.

13.2 In the event of failure of a student in the SEE of any course, the Continuous Internal Assessment marks obtained by the student in the first appearance of that course shall be retained and considered valid for only one subsequent attempt. However, if a second attempt is necessitated and the student fails to obtain pass marks (CIE+SEE) as per Clause 13.1 then the passing requirement shall be as follows:

The student should secure 50% minimum marks prescribed for the course in the SEE alone and the related Continuous Internal Assessment marks obtained will not be considered or retained thereafter.

A ⁺	9	80-89
A	8	70-79
B ⁺	7	60-69
B	6	50-59
U	-	<50

Students scoring less than the passing minimum marks shall be deemed to have failed and be given “U” grade. The Cumulative Grade Point Average (CGPA) will be revised accordingly. The grade acquired by the student later will be indicated in the grade card of the appropriate semester.
