The Department of ECE organized a guest lecture on the topic “Embedded systems- An Industry perspective”. It was held on Friday (23.08.24) in Dr.A.P.J Abdul Kalam hall of ECE department. Mr.Harresh Janakiraman was the resource person who spoke on this topic, and is the Director, at Embedded-Guru, Houston, Texas. The session consisted of the resource person emphasizing on the aspect of skill building in embedded systems, how it will prove to be of use in the future and how it will be useful in various scenarios.

Sensathon 3.0: A National-Level Sensor-Based Hackathon! (24 Hours non-stop Sensor Hackathon)

Department of ECE conducted, a national-level hackathon Sensathon 3.0 that brought together tech enthusiasts and innovators from all across Tamil Nadu! With over 20 teams participating, this event showcased some truly incredible ideas, solutions, and applications in the field of sensor-based technologies.

Event Highlights:

- Talented participants from institutions across Tamil Nadu.
- Groundbreaking projects addressing real-world challenges.
- ₹50,000 in cash prizes, generously sponsored by Sona College of Technology.
