The program was aimed to create awareness among girls for safeguarding them and preventing them from harassment. More than 400 girl students participated in this awareness program.

## Wizardry with Words

### MOM'S KISS

Sun ray's on eyes  
The birds chirping on the window like melody.  
Has shine like sun  
Has fresh as flower  
Has energy as boost  
Has sweet as chocolate  
In the morning  
Mom's kiss.

### WITH YOU

The hills we passed by  
The winds through the window  
The clean blue sky  
The sound of horns in the long drive  
Our favourite songs  
Holding each other hands  
Humming to the melody  
Some gossips  
Some giggles  
Some joy  
Those enduring moments with you.

- by Dhanushree. S. S / II Yr - FT  
Sona College of Technology, Salem

### DAYS OF OUR LIVES

Past was messed up  
Future might not cover up  
Parallel universe needed  
For deceit might escape  
Everyone's favourite?  
Nah just existing  
Everything is a rotten luck  
When your lucky being unlucky !!!

### L'AMOUR

Every line from your favourite song  
Is meant for them you feel  
Many may look at you  
Yet you wait for his eyes to spark at you  
In a world full of voldemort  
Where's my HARRY?  
Everyone becomes a poet  
At the touch of love!

- by Madhomitha. P. B / II Yr - BME  
Sona College of Technology, Salem

### MISS MESS!!

My life is a beautiful mess.. i guess that's the biggest stress,

I'm the trouble that comes in a pretty dress.

Making it even worse is the struggle to reach success.

But don't get depressed Missy.. When life gets messy. We can't control everything that's around you, it's how things get screwed and new.

And it's not always your fault, that's our thought by default.

Don't get lost all you have to do is to relax and halt when everything people do is to taunt.

Things go wrong when the person or thing does not belong.

Just smile and move on because that's all we can do!!!!

### HAPPINESS....

You gave me Pain wrapped in Love.... Love does not always mean happy and caring.. sometimes its pain...we don't know when or how it turns.. but one day it will.. and will end...Cherish the moments before they turn into memories...trust me that will hurt more than anything in this world....People believe in forever but it is definitely not meant for them.. you make yourself believe forever is a thing.. but the truth is forever is a lie...love relieves pain they say but actually LOVE IS PAIN... Oh.. You are still imagining it with that person on your mind...but I'm talking about the Pictures You clicked that are filled with memories.... Pictures speak louder than voice...and only people who value it can feel it..Good or bad memories stay...it's not always about a person!!!!
